BENEFIT ENTERTAINMENT.

The entertainment given by local talent at the opera house Friday evening for the benefit of the Progressive Culture club, was a pronounced success in every respect. The musical part was of a high order, showing much talent on the part of the performers and well deserved the praise and hearty applause which each number received. To particularize would be useless in this instance for each and every number on the programme was so well rendered that it can be summed up and expressed in these few words: It was very fine. A prominent visitor expressed great surprise that so much musical talent was to be found in a town of this size.

Between the musical part and the farce, which completed the programme, two selections were given by a traveling Italian orchestra, consisting of four pieces, which were much enjoyed by the audience.

The farce entitled, "A Picked up Dinner," proved to be a very bright, laughable little arrangement and the leading parts, Mr. and Mrs. John Thompson, were admirably taken off by Miss Daisy Brady and Mr. E. N. Wattles, and Mrs. E. E. Rollins as Biddy, the maid, was splendid.

A dance followed and was participated in by quite a number. Music for the dance was furnished by the Italian orchestra and it was excellent.

Much credit is due to Miss Daisy Brady and Mrs. F. A. Morgan, the committee in charge for the success of the entire affair.

The net proceeds for the evening were about thirty one dollars, and this amount has been turned into the treasury of the Progressive Culture club.
